

Shaneh Kawun Gadad?
What Is GOD?

Q: Greeting Baaba Yaanuwn may we ask you some questions?

A: That is why I'm here in this skin suit yes?

Q: What is Gadad “God”?

A: Deity is **Fakur** “Thought”.

Q: And Master Teacher what is Thought?

A: Fakur “Thought” is **Shaúar-nus** “Consciousness”

Q: And just what is Consciousness?

A: Being **Áaruf** “Aware” that of **Nafash** “Self” able to be inspired or with **Nafash** “Spirit”.

Q: And where is Gadad?

A: Seated in your **Damagh** “Brain” as your **Nanas Ghadat** “Pineal Gland” between your two **Dalkhul- Galus** “Thalamus” and **Nakhum** “Pituitary Gland”. Those are the seats of “I am”.

Q: So, there is NO GOD or GODS outside of us?

A: Like the body is composed of **Khalay-u** “Cells” to make up the **Khatat** “Body” so also it is with Deities each of us say “Am I” and the answer is “All Is I Am”.

Q: So, then we all are GODS?

A: Yes, by which ever language or tongue look at this like the Christian Bible says of Adam, **Luke 3:38** “Adam which was the son of GOD. So, **God** is his father. Now **Genesis 1:26, 27** the Jewish part it says, “*And God said let us make man (Adam) in our own image after our likeness*”.. and its clear in verse 27 “*So, God created man (Adam) in his own image ...*” So, **God** is Adam’s Father. He looked like him and acted like him. Just as you are with your own father. He passed on to you **23** Chromosomes of himself and **23** from your

mother to make **46** chromosomes or to get to the **Nafash** “*Self*”. It’s 1/3 your mother, 1/3 your father and 1/3 you or your self or spirit. It’s the same as God and you by your **Muslaf-u** “*Ancestors*” all of you are **Gods** all the way back to the first, yet you started with your own **Muhray-u** “*Parents*” your one **God**.

Q: What do you mean by that Yaanuwn?

A: Well Love, your 1/3 makes you unique no one was ever exactly the same as you.

Q: What about identical twins?

A: They are never the same as the **Àaqal** “*Mind*” won’t allow that. They don’t see things the exact same way or time. And if you’re the one in your four generations back that saved the **Muysar** “*Family*” by your success then you’re the greatest *god* of your line. If you’re the smartest then you’re the supreme being of your line. Or you could be the evil or Devil in your **Muysar** “*Family*” line. A new line starts with you and your mate if you two have offsprings, and they have no other God besides you. Is this clear now?
